

Qualification Specification

GQA Level 6 NVQ Diploma in Construction Contracting Operations

Management v2

Qualification Number: 610/3746/1

Who is this qualification for?

The qualification has been developed to enable individuals to demonstrate their skills, knowledge and understanding within Construction Contracting Operations Management in the Construction Industry.

Achievement of this qualification enables individuals to demonstrate and recognise skills, knowledge and understanding and to demonstrate competence in a real workplace environment.

Individuals will learn practical skills and knowledge in areas such as:

- Maintaining Health, Safety and Welfare
- Planning, allocating and monitoring work in their area of responsibility
- Chair meetings and take decisions in construction contracting operations management
- Develop and maintain working relationships and personal development in Construction Contracting Operations Management

This qualification is at Level 6.

There is a suite of other construction specific qualifications in a wide range of occupations available through GQA.

Entry requirements

There are no formal entry requirements for learners undertaking this qualification, however individuals must be carrying out a role that will enable them to show they have the required competence and knowledge to meet the qualification aims

Qualification support

This qualification has been designed and developed by GQA Qualifications with industry support.

GQA Qualifications Ltd, Unit 1, 12 O'clock Court, Sheffield S4 7WW.

Tel 01142 720033, email to info@gqaqualifications.com

Qualification achievement

It is not expected that all workers will complete the same tasks, so the qualification has been designed to allow flexibility and in turn, as wide an uptake as possible.

Individuals must complete the 5 mandatory units and a minimum of 4 optional units.

The minimum credit value of the qualification is 115 credits.

Qualifications are now required to indicate the total qualification time (TQT), this is to show the typical time it will take someone to attain the required skills and knowledge to meet the qualification criteria. The TQT for this qualification is 1150 hours.

Qualifications are also required to indicate the number of hours of teaching someone would normally need to receive to achieve the qualification. These are referred to as Guided Learning Hours (GLH). The minimum GLH for this qualification is 510.

The unit of assessment sets out learning outcomes which describe what learners need to be able to do and understand. The learning outcomes are defined by assessment criteria which are used to assess competence, expressed as skills achieved and learned knowledge and understanding, to achieve the units. GQA Qualifications will issue a certificate complete with the learner's name, the qualification and unit title and the credits achieved.
