

Summary of the:

GQA NVQ LEVEL 2 DIPLOMA IN FLOORCOVERING OCCUPATIONS (CONSTRUCTION) (603/5285/1)

Who is this qualification for?

This is a work-based learning qualification for those involved in laying floorcoverings in a Construction related working environment. Although many of the skills and knowledge across floorcovering occupations are generic, not all those employed to fit floorcoverings will be fitting the same product. The group of optional units will allow specialisms of timber based, textile and resilient floorcoverings.

What is required from candidates?

To achieve this pathway unit the survey work must be carried out in ways that will minimise the risk of damage to the work and surrounding area and using and maintaining equipment effectively.

This qualification is made up of 9 mandatory units and a group of optional units. The minimum credit value of this qualification is 127 credits.

Qualifications are now required to indicate the total qualification time (TQT), this is to show the typical time it will take someone to attain the required skills and knowledge to meet the qualification criteria, this qualification has a TQT of 1,270 hours.

Qualifications are also required to indicate the number of hours of teaching someone would normally need to gain the skills and knowledge to achieve the qualification. These are referred to as Guided Learning Hours (GLH). The GLH for this qualification is 543
