

Summary of the:

GQA Level 3 Award for Competence and understanding in the Calibration of Advanced Driver Assistance Systems (ADAS) (603/6850/0)

Who is this qualification for?

This qualification is aimed at those who need an understanding of ADAS systems and proof of competence in carrying out calibration activities themselves.

To achieve this qualification, the mandatory unit must be fully completed with auditable evidence.

This qualification mandatory unit has a credit value of 8 credits. There is also a qualification from GQA for those who are required to have proof of understanding but have neither the need nor the opportunity to have evidence of practical competence in calibration.

Qualifications are now required to indicate the total qualification time (TQT), which is to show the typical time it will take someone to attain the required skills and knowledge to meet the qualification criteria. This qualification has a TQT of 80 hours.

Qualifications are also required to indicate the number of hours of teaching someone would normally need to gain the skills and knowledge to achieve the qualification. These are referred to as Guided Learning Hours (GLH). The GLH for this qualification is 24.

Unit no	Mandatory units	Level	Credit
J/618/5584	Competence and understanding in the Calibration of Advanced Driver Assistance	3	8
AD02	Systems (ADAS)		

Achievement of the required credit indicated above will mean the qualification has been completed, and GQA will provide the Certificate with the title.

Please note that photocopied or downloaded documents, such as manufacturers' or industry guidance, H&S policies, Risk Assessments, etc., are not normally acceptable evidence for GQA qualifications unless accompanied by a record of a professional discussion or Assessor statement confirming candidate knowledge of the subject. If you are in any doubt about the validity of evidence, please contact your GQA EQA.
