

Summary of the:

## **GQA Level 3 NVQ Diploma in Construction Contracting Operations (Construction) (610/3202/5)**

### **Who is this qualification for?**

The Level 3 NVQ Diploma in Construction Contracting Operations will develop knowledge and skills in areas such as: developing and maintaining working relationships, preparing and processing invitations to tender, preparing programmes and schedules of work, operating project information systems, and operating health, safety and welfare systems in construction. Learners can specialise in several different areas of Construction Contracting Operations.

The qualification is at Level 3, although some units may be at different levels.

The qualification has been developed in a way to allow employees from companies of all sizes and specialisms equal opportunity to complete.

There is a suite of other construction specific qualifications in a wide range of occupations available through GQA.

### **Entry requirements**

There are no formal entry requirements for learners undertaking this qualification, however individuals must be carrying out a role that will enable them to show they have the required competence and knowledge to meet the qualification aims

### **Qualification support**

This qualification has been designed and developed by GQA Qualifications with industry support.

### **Regulatory information**

|                                       |                            |

## Qualification achievement

It is not expected that all workers will complete exactly the same tasks, so the qualification has been designed to allow flexibility and in turn, as wide an uptake as possible.

Individuals must complete the 4 mandatory units and the required units from the selected Pathway(s)

The minimum credit value of the qualification is 90 credits.

Qualifications are now required to indicate the total qualification time (TQT), this is to show the typical time it will take someone to attain the required skills and knowledge to meet the qualification criteria. The TQT for this qualification is 900 hours.

Qualifications are also required to indicate the number of hours of teaching someone would normally need to receive in order to achieve the qualification. These are referred to as Guided Learning Hours (GLH). The minimum GLH for this qualification is 300

The unit of assessment sets out learning outcomes which describe what learners need to be able to do and understand. The learning outcomes are defined by assessment criteria which are used to assess competence, expressed as skills achieved and learned knowledge and understanding, to achieve the units. GQA Qualifications will issue a certificate complete with the learner's name, the qualification and unit title and the credits achieved.

### Assessment

The qualification must be assessed using the following assessment method:

- Portfolio of Evidence

Learners are required to achieve all learning outcomes within units of assessment. All assessment is subject to internal quality assurance within approved centres providing this qualification. External quality assurance of assessment and internal quality assurance within approved centres is provided by GQA Qualifications.
