Qualification factsheet

Qualification overview

Qualification title	GQA Level 2 NVQ Diploma For Wood Occupations (Construction) – Architectural Joinery
Qualification number	610/7436/6
Total qualification time (TQT)	470
Guided learning hours (GLH)	334
Entry requirements	No entry requirements

About this qualification

This qualification enables the demonstration and recognition of your skills, knowledge and understanding in Floorcoverings and to demonstrate your competence in a real workplace environment so you can work in Floorcoverings within the construction industry.

This qualification covers areas such as confirming resources, preparing subfloors, setting out and installing textile and resilient floorcoverings, and repairing textile floorcoverings.

You can select additional options to suit your role, whether it is laying timber flooring or resilient/textile floorcovering.

GQA Qualifications

GQA Qualifications Limited is an Awarding Body for specialist sectors and occupational roles. Our current qualifications cover a wide range of sectors, including the Glass and Fenestration Industries, Construction, Print, Automotive Glazing, Polymers, Nuclear, Chimney Occupations, Meteorology and Print.

Our aim is to work with industries where we have access to knowledge within GQA, giving us a real ability to discuss specific qualifications with both centres and employers.

Qualification development is carried out in accordance with regulatory and Sector Skill Council requirements, using industry experts throughout the development and consultation processes.

At GQA, our purpose is clear: to bring learning to life. We believe every learning experience holds the potential for personal growth, and that's why our team is dedicated to creating meaningful, engaging opportunities that make a real difference in the lives of learners.
